Elkhonon Goldberg, Ph.D., ABPP

Education	<p>M.S. 1970. Lomonosov Moscow State University (Adviser: A.R. Luria)</p> <p>1973. All requirements for Ph.D. completed with the exception of oral defense (Adviser: A.R. Luria)</p> <p>Ph.D. 1976. City University of New York</p>
Postdoctoral Training	<p>1974-75 Research Fellow - Illinois State Institute for Developmental Disabilities, Chicago, IL</p> <p>1975-1976 Research Psychologist - Department of Neuroscience, Albert Einstein College of Medicine, NYC</p>
Certification	<p>Diplomate of the American Board of Professional Psychology in Clinical Neuropsychology (ABPP-CN) as of 1987</p>
Licensure	<p>Licensed in New York as of 1984. License #008101</p> <p>Licensed in Pennsylvania as of 1988. License #PS-005130-L</p> <p>Licensed in New Jersey as of 1992. License #SI)3007</p> <p>Licensed in New South Wales, Australia. License #PS 0045072</p>
Honors	<p>Visiting Scholar, Institute for Advanced Studies, Hebrew University of Jerusalem, Israel, 1986</p> <p>“Tempos hominis” Medal for international medical sciences education – Riga, Latvia, 2009</p> <p>Foreign Member of Istituto Veneto, a major Italian Academy of Science and Arts. www.istitutoveneto.it. Elected to the section of Mathematics, Physics and Natural Sciences in 2010</p> <p>Copernicus Prize for contributions to neurosciences and neuropsychology – Krakow, Poland, 2010</p>

Academic and
professional
appointments

1976-1978 Instructor of Psychiatry, The New York Hospital - Cornell Medical Center, and guest appointment - The Rockefeller University, NYC

1978-1982 Assistant Professor of Psychiatry, Downstate Medical Center of SUNY, NYC

1981-1995 Adjunct Professor of Psychology, The City University of New York, NYC

1982-1987 Associate Professor of Psychiatry and Neurology; Director, Division of Neuropsychology, Department of Psychiatry, Albert Einstein College of Medicine, New York

1986 Visiting Scholar - Institute for Advanced Studies, The Hebrew University of Jerusalem, and Visiting Professor - Tel Aviv University, Israel

1987-1993 Professor of Psychiatry and Neurology; Director, Division of Neuropsychology, The Medical College of Pennsylvania/Eastern Pennsylvania Psychiatric Institute Philadelphia, PA

1993-2023. Clinical Professor, Department of Neurology, NYU School of Medicine

1993 - pres. Private practice in clinical neuropsychology

1993-2011 Lecturer, Department of Psychiatry, Columbia University, New York

1995-pres. Faculty member, The Fielding Graduate University

1997-2019 Adjunct Professor, Department of Psychiatry, Mount Sinai School of Medicine, New York

1998, 1999, 2000 Visiting Scholar, Department of Psychology University of Sydney, Sydney, Australia

2006 - pres. Co-Founder and Chief Scientific Adviser, SharpBrains
www.sharpbrains.com

2011 - pres. Director, Luria Neuroscience Institute, www.lninstitute.org

2018 - pres. Scientific Advisor, Project AGI (Artificial General Intelligence), Melbourne, Australia (<https://agi.io/>) and Whole Brain Architecture Initiative, Tokyo, Japan (<https://wba-initiative.org/en/>)

2018 - pres. Scientific Mentor, Laboratory of Mind, Brain, and Behaviour, Gadjah Mada University, Yogyakarta, Indonesia

2020 - pres. Scientific Advisor, United in Diversity Creative Campus / Tsinghua SEA , Bali, Indonesia

2020 - 2022 Member, Lancet COVID-19 Commission
<https://covid19commission.org/>
Task Force on Mental Health and Wellbeing
<https://covid19commission.org/mental-health-wellbeing>

2020 - present Chief Scientific Advisor, NESTRE

2021 – pres. Founding Member, Consortium of American psychologists and psychiatrists advising Ukrainian colleagues on issues of mental health and brain dysfunction

2022 – pres. Member, International Advisory Board, Udayana University, Bali, Indonesia

2022 – pres. Advisor, Ukrainian Neuropsychological Society, Ukraine

Professional Societies
(past or present)

American Psychological Association

American Board of Professional Psychology

American Academy of Clinical Neuropsychology

Training Record (select)

William Barr, Ph.D. - doctoral student in 1981-1984. Currently Associate Professor of Neurology, New York University School of Medicine, New York, NY.

Robert Bilder, Ph.D. - doctoral student and research assistant in 1978-1981. Currently Professor of Psychiatry and Chief of Medical Psychology, UCLA School of Medicine, Los Angeles, CA.

Diane Howieson, Ph.D. - post-doctoral fellow in 1976-1978. Currently Professor of Neurology and Chief of Neuropsychology, Oregon University of Health Sciences.

Allan Kluger, Ph.D. - post-doctoral fellow in 1982-1984. Currently Professor of Psychology, CUNY; Associate Professor of Psychiatry, NYU School of Medicine.

Kenneth Podell, Ph.D. - doctoral student and research assistant in 1987-1991. Currently Chief of Neuropsychology, Methodist Medical Center, Houston, TX, and Associate Professor of Psychiatry, Cornell College of Medicine, New York, NY.

Paul Ramirez, Ph.D. - doctoral student in 1976-1980. Currently Professor of Psychology, Long Island University

Antonio Verdejo-Garcia, Ph.D. – doctoral student 1999-2001. Currently Associate Professor, Monash University, Melbourne, Australia.

Michal Harciarek, Ph.D. – doctoral trainee during several visits. Currently

Professor of Psychology, University of Gdansk, Poland

Jacqueline Barnett, Ph.D. – doctoral student 1986-1990. Currently Neuropsychologist in private practice.

Dmitri Bougakov, Ph.D., ABPP – doctoral student 2003. Currently Neuropsychologist in private practice, Diplomate of the American Board of Professional Psychology.

Michal Harciarek, Ph.D. - neuropsychology trainee. Currently Dean of Social Sciences University of Gdansk, Poland

Galang Lufityanto, Ph.D. - Fulbright trainee, 2019. Currently Associate Dean, Faculty of Psychology, Gadjah Mada University, Indonesia

Additionally, more than 100 post-doctoral trainees in Clinical Neuropsychology.

i10-index: 88

Books

E. Goldberg. (1990). *Contemporary Neuropsychology and the Legacy of Luria*. Hillside-London: Lawrence Erlbaum.

E. Goldberg. (2001; paperback 2002). *The Executive Brain: Frontal Lobes and the Civilized Mind*. New York: Oxford University Press (paperback 2002). Translated into Chinese (Taiwan), Czech, Danish, German, Italian, Japanese, Korean, Portuguese, Russian, Spanish, and Swedish.

E. Goldberg. (2005; paperback 2006). *The Wisdom Paradox: How Your Mind Can Grow Stronger as Your Brain Grows Older*. New York: Gotham Books, Penguin. UK Edition: Free Press, Simon & Schuster (2005); Pocket Books (2007). Translated into Chinese, Chinese (Taiwan), Czech, Danish, Dutch, French, German, Hebrew, Italian, Japanese, Korean, Latvian, Polish, Portuguese (Brazil), Portuguese (Portugal), Russian, Spanish, Swedish, and Turkish.

E. Goldberg. (2009). *The New Executive Brain: Frontal Lobes in a Complex World*. New York: Oxford University Press. Translated into Chinese, Dutch, Italian, Polish and Turkish.

A-L. Christensen, D. Bougakov, E. Goldberg. (2009). *Luria's Legacy in the 21st Century*. New York: Oxford University Press.

A. Fernandez & E. Goldberg. (2009). *The SharpBrains Guide to Brain Fitness*. SharpBrains Press.

A. Fernandez & E. Goldberg. (2013). *The SharpBrains Guide to Brain Fitness: How to Optimize Brain Health and Performance at Any Age*. SharpBrains Press. Translated into Spanish and Polish.

E. Goldberg. (2017). *Executive Functions in Health and Disease*. Academic Press, Elsevier. Recipient of the "Highly Commended" book award by the British Medical Association.

E. Goldberg. (2018). *Creativity: The Human Brain in the Age of Innovation*. Oxford University Press. Translated into Chinese, Estonian, Greek, Italian, Japanese, Korean, Polish, Portuguese (Brazil), Russian, Spanish and Turkish.

Original Peer-Reviewed Reports

E. Goldberg. (1970). The levels of memory encoding of a text. In: *Proceedings of V All-Union NSO Conference*, Moscow Univ. Press, (in Russian).

E. Goldberg & S. Nikitin. (1974). The alphabet of "perceptual etalons" and significant dimensions of the engram of a visual form. *Zhurnal Nevropathologii i Psikiatrii*, 2 (in Russian).

E. Goldberg. (1974). Neuropsychology: A tool for assessing normal processing in humans. *Novie Issledovania v Psihologii*, 1 (in Russian).

A. Luria, N. Kwaschenko & E. Goldberg. (1975). Memory disorders in

diencephalic brain lesions. *Novie Issledovania v Psihologii*, 3 (in Russian).

A. Luria, E. Goldberg and N. Kyaschenko. (1975). Text-encoding disorders in prefrontal brain lesions. *Novie Issledovania v Psihologii*, 3 (in Russian).

E. Goldberg. (1975). "The alphabet of perceptual etalons" and significant dimensions of the engram of the visual form. *Soviet Psychology*, summer volume.

E. Goldberg, H. Vaughan, Jr. & L. Gerstman. (1978). Non-verbal descriptive systems and hemispheric asymmetry: Shape versus texture discrimination. *Brain and Language*, 5, 249-257.

E. Goldberg & D. Tucker. (1978). Motor perseverations and the levels of encoding a visual form. *Journal of Clinical Neuropsychology*, 4, 273-288.

E. Goldberg, H. Vaughan, Jr. & L. Gerstman. (1978). Non-verbal hemispheric asymmetry. *Language and Language Behavior Abstracts*, 13, 290.

E. Goldberg. (1981). Role of the right hemisphere in the formation of linguistic skills. *Journal of Educational Neuropsychology*, 1, 1-15.

E. Goldberg, S. Antin, R. Bilder, L. Gerstman, J. Hughes & S. Mattis. (1981). Retrograde amnesia: Possible role of mesencephalic reticular activation in long-term memory. *Science*, 213, 1392-1394.

E. Goldberg and L. Costa. (1981). Hemisphere differences in the acquisition and use of descriptive systems. *Brain and Language*, 14, 144-173.

E. Goldberg, L. Gerstman, S. Mattis, J. Hughes, R. Bilder & C. Sirio. (1982). Effects of cholinergic treatment on post-traumatic anterograde amnesia. *Archives of Neurology*, 39, 581.

E. Goldberg, L. Gerstman, S. Mattis, J. Hughes, C. Sirio & R. Bilder. (1982). Selective effects of cholinergic treatment on verbal memory in post-traumatic amnesia. *Journal of Clinical Neuropsychology*, 4, 219-234

E. Goldberg, J. Hughes, S. Mattis & S. Antin. (1982). Isolated retrograde amnesia: Different etiologies, same mechanisms? *Cortex*, 18, 459-462.

E. Goldberg & L. Costa. (1983). Hemisphere differences in the acquisition and use of descriptive systems. *Sociological Abstracts*.

E. Goldberg. (1985). Akinesia, tardive dysmentia and frontal lobe disorder in schizophrenia. *Schizophrenia Bulletin*, 11, 255-263.

E. Goldberg. (1985). Frontal lobe-like syndromes and schizophrenia. *Proceeding of The IV World Congress of Biological Psychiatry*.

E. Goldberg. (1986). Varieties of perseveration: Comparison of two taxonomies. *Journal of Clinical and Experimental Neuropsychology*, 8, 710-726.

R. Bilder & E. Goldberg. (1987). Motor perseveration in schizophrenia. *Archives of Clinical Neuropsychology*, 2, 195-214.

J.P. Lindenmayer, E. Gardner, E. Goldberg, L. Opler, S. Kay, H. van Praag, M. Weiner & S. Zukin. (1988). High-dose naloxone in tardive dyskinesia. *Psychiatry Research*, 26, 19-28.

E. Goldberg (2012). A new age for cognitive rehabilitation: Merging cognitive neuroscience, information and communication technologies. Inaugural address at the conference "Modeling the brain," Barcelona, Spain.

E. Goldberg (2013). Laterality and the frontal lobes in health and disease. Brain and Mind Institute. Brigham and Women's Hospital, Boston, MA.

E. Goldberg (2013). The legacy of Luria in the 21st century. Keynote address at ITON convention, Amsterdam, The Netherlands.

E. Goldberg (2013). Brain development over the lifespan: How neuroscience can inform the clinician. EEGInfo Advanced Clinical Summit. Los Angeles, CA.

E. Goldberg (2013). Clinical Neuropsychology of Executive Dysfunction and Other Disorders. Cape Cod Institute, Cape Cod, MA.

E. Goldberg (2013). Executive functions of the brain and higher-order cognition: Recent findings and ideas. Mercy medical Center, Canton, Ohio.

E. Goldberg (2014). Novel Approaches to Frontal Lobe Function and Dysfunction. Lecture at the Neuropsychology Division of the New York State Psychological Association. New York, NY.

E. Goldberg (2015). Arthur L. Benton Annual Lecture. New York Neuropsychology Group. New York, NY.

E. Goldberg (2015). ADHD, Tourette's and the Fallacy of Fads. Keynote address at International Conference on Neuroethics (ICONE), Lisbon, Portugal.

E. Goldberg (2015) Executive functions of the frontal lobes. Invited presentation at The Human Performance Optimization Workshop, United States Military Academy, West Point, NY.

E. Goldberg (2015). Executive functions and dysfunction. Touro College, New York.

E. Goldberg (2015). Computerized brain training – What's the evidence? 13th Annual Conference of the American Academy of Clinical Neuropsychology, San Francisco, CA.

E. Goldberg and J. Mervis (2015). Coaching the executive brain. Presented at the Symposium "Realizing the promise of brain training and consulting - Beyond rehabilitation." Annual Convention of The American Psychological Association, Toronto, Canada.

E. Goldberg and D. Bougakov (2015). Cognitive novelty, cerebral hemispheres, and the frontal lobes. Invited lecture at the Anniversary Conference, Bechterev Institute for the Human Brain of the Russian Academy of Sciences, St. Petersburg, Russia.

E. Goldberg (2016). Agent-Centered Cognition in a Fragmented World. Keynote address at The 15th Annual Meeting Society for the Advancement of Brain Analysis (SABA), Irvine, CA.

E. Goldberg (2017). How the brain deals with novelty and ambiguity. Invited lecture at Mind Research Network, Albuquerque, NM.

E. Goldberg. (2017). Tourette's, ADHD, and cerebral hemispheres. Invited lecture, Rutgers University, NJ.

E. Goldberg (2017). Tinkering with neural net architectures: Insights from the biological brain. Keynote address at the International Conference of Artificial General Intelligence, Melbourne, Australia.

E. Goldberg (2017). Neural mechanisms of creativity and novelty. Lecture at Gadjah Mada University, Yogyakarta, Indonesia.

E. Goldberg (2018). Creativity and the Brain. Keynote lecture at the 23rd Annual Convention of the Japanese Society for Cognitive Neuroscience, Miura, Japan, 2018.

E. Goldberg (2018). Tourette's, ADHD, and Cerebral Hemispheres. Invited lecture at Kyoto University, Kyoto, Japan.⁴

E. Goldberg (2019) Digital revolution and the human brain. Keynote address at International Conference on Human-Technology Interaction, Yogyakarta, Indonesia.

E. Goldberg (2019) Creativity, novelty, and the brain. Invited lecture at the Annual meeting of the American Neuropsychiatric Association, Chicago, Ill.

E. Goldberg (2019). Executive functions in health and disease. A week-long course, Cape Cod Institute, Eastham, MA.

E. Goldberg. (2019). Presentation at the meeting "Science and Ethics for Happiness and Well-being." Pontifical Academy of Social Sciences, Vatican.

E. Goldberg (2020). The neuroscience of happiness. Invited lecture at Eight Annual International Conference on Sustainable Development (ICSD). (online).

E. Goldberg (2020). Neuro-Covid. Invited lecture at RICH 70 Tsinghua University Southeast Asia Cloud Forum (online).

E. Goldberg (2020). COVID-19 and the brain. UGM International Guest Lecture Series for Indonesia (online).

E. Goldberg (2021). How the brain deals with novelty and routines. Invited lecture for SkolTech University, Moscow, Russia (online).

E. Goldberg (2021). Creativity, novelty, and the brain. Invited lecture for Rice University, Houston TX (online).

E. Goldberg (2021). Dysexecutive syndromes and the frontal lobes. Invited lecture for the Northwestern Neuropsychological Association (online).

E. Goldberg (2021). Faculty member, "Happy Digital X: Cities, systems, products, and services," a 12-week course offered by Tsinghua University Southeast Asia Center and taught by international faculty (online).

E. Goldberg (2021). Invited panel member, High Level Brainstorming Session with H.E. Nadiem Makarim, Indonesian Minister of Education, Culture, Research and Development (online).

E. Goldberg (2021). Invited panel member, High Level Roundtable Discussion with Indonesian Minister of Health H.E. Budi Sadikin (online).

E. Goldberg (2021). Brain and cognition in health and disease. 5-day course. Cape Cod Institute (online).

E. Goldberg (2022). Functional systems in three dimensions. Keynote address Conference "Cognitive neuroscience and clinical neuropsychology: The beginning of a new path in Ukraine." (online).

E. Goldberg (2022). Executive functions in health and disease: a 5-day course. Cape Cod Institute (online).

E. Goldberg (2022). The human brain in the age of innovation. International conference on cultural and spiritual psychiatry. Bali, Indonesia.

E. Goldberg (2022). Functional Systems in three dimensions. Invited lecture. University of Gdansk, Poland.

E. Goldberg (2022). In Luria's footsteps: Functional systems in three dimensions. Keynote address, Conference "120th Anniversary of Luria's Birth." Vicenza, Italy.

E. Goldberg (2022). Long NEUROCOVID-19: Challenges Ahead. University of Texas at Dallas (online).

E. Goldberg (2022). Research on the Human Brain in the Age of Innovation. Udayana University, Bali, Indonesia.

E. Goldberg (2023) Reticulo-frontal disconnection syndrome. Invited lecture at the Annual convention of The Polish Neuropsychological Society (online).
